

A single, one-of-a-kind, 4-bedroom, 4-bathroom waterfront apartment is available in Almar, the exclusive development of six residences on Ocean Reef, the man-made islands in the heart of Panama Bay.

This 4,630-square-foot (430 mts²) home offers breathtaking ocean and city views, as well as access to Ocean Reef's unique island lifestyle.

Almar is a short walk from the Ocean Reef Yacht Club, marina, and water sports club. The gated islands are minutes from the center of Panama City, making Ocean Reef one of the most sought-after addresses in the region.
