ALACENA

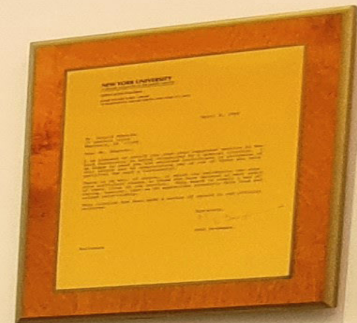

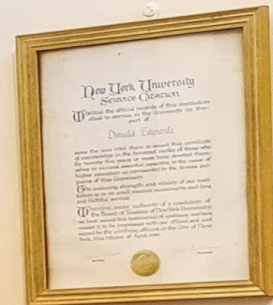

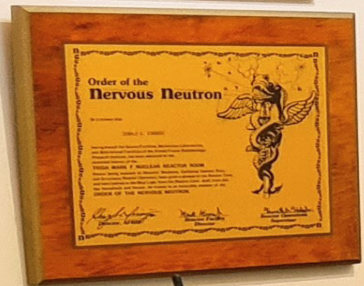

The desk area is cluttered with various items. On the left, there is an Epson printer with a sign that says "NUNCA ACTUALIZAR ESTA". In the center, a computer monitor displays a website with a QR code. A white desk lamp is positioned in front of the monitor. To the right, there is a calendar for January 2022, a red desk lamp, and several stacks of papers and folders. A black office chair is in the foreground, and a grey office chair is on the right. The floor is tiled.
