Jaime Alberto is an apartment building with a privileged location, it is located very near to the famous “El Tornillo” building, a spiral-shaped building that is the most famous and recognized building in Panama, being in the heart of the city Jaime Alberto is close to malls, shopping centers, boutique stores, coffee shops, great restaurants and myriad of modern businesses. Living at Jaime Alberto means having easy access to Paitilla, San Francisco, and Bella Vista areas, as well as tourist destinations and historic areas. The unit available here is perfect for a family that is looking for a spacious apartment, with a privileged location right in the heart of the city, without breaking the bank, this unit has 2-bedrooms a very large living room, a large laundry area as well as a large balcony with double doors and a BBQ area, where you are also able to have a small view of the city.

Jaime Alberto is an older building when compared to the new state-of-the-art towers that are so common to see in this metropolis, that makes Jaime Alberto a more affordable place to live, while still having a spacious apartment in a prime location, normally apartments in Panama City that have this much space on a location as privileged as this, tend to cost at least twice as much to rent, making Jaime Alberto an easy choice if you are looking for an affordable yet spacious living space on a privileged location.
