Office 33A - 2 is an excellent option for startups and professionals looking for a cozy and well-equipped space.

At 12 m2, this office is not only spacious, but also features quality finishes such as ceramic floors and glass partition walls, providing a bright and modern work environment. Ambient lights add a touch of warmth and style, creating a pleasant and productive work environment.

Located in a privileged location in the Plaza Paitilla Shopping Center, it offers easy access to important points of interest and businesses in Panama City. In addition, the rental price includes essential services such as electricity, air conditioning and cleaning of common areas, which represents excellent value for money.

The proximity to the South Corridor and the Cinta Costera, as well as the convenience of having public transportation, supermarkets and hospitals within walking distance, make this office an unmissable opportunity for those who wish to establish themselves in the heart of the city.
