DESCRIPTION

The refreshing scent of cypress as you arrive at this Quinta oasis in Sabana Redonda. This well-loved family retreat sits on a lush 2,297 m² lot with expansive grassy areas and garden space. The 452 m² built area combines a welcoming 178 m² main house with a 274 m² indoor pool/jacuzzi and sauna complex, all powered by solar energy. Inside, high Costa Rican hardwood ceilings and trim mingle with upscale ceramic tile, creating a warm yet refined ambiance. The kitchen features granite countertops and an island, with appliances included. The home offers a large dining hall, a great room with a wood fireplace, and three generous bedrooms and baths—and includes an extra-large shower in the pool area. Practical touches include a laundry, alarm, and ample off-street parking, plus a porte-cochere for 4+ cars and a 1/2 court basketball area. An electric gate opens to an 11-meter asphalt driveway winding through the property's grassy plots and garden. Turnkey-ready, this estate is perfect as a dream family home, a vacation retreat, or a versatile rental investment for long or short-term stays.
