Office 31A is located within a shared office space with multiple independent units, allowing operations in a professional environment in a central location.

It features a glass front and glass door, creating visibility within the space and supporting client interaction. The floor to ceiling window facing the hallway keeps the area open and exposed. Includes laminate flooring, decorative wall panels and installed lighting, ready for immediate use.

Its layout works well for client-facing activities, reception or professional services that require visibility.

The space includes central air conditioning and access to a shared full bathroom with shower and water heater.

Located on Avenida Balboa with direct connection to Vía Italia, Plaza Paitilla provides access to transportation, services, hospitals and the financial district.
