Office 31B is located within a shared office space with multiple independent units, allowing operations in a professional environment in a central location.

It is a more enclosed office, with a layout that supports organized and continuous work, making it suitable for small teams or operational use.

Includes laminate flooring and installed lighting, ready for immediate use and easy to adapt.

Its configuration works well for team operations, back office or administrative services that require a defined workspace.

The space includes central air conditioning and access to a shared full bathroom with shower and water heater.

Located on Avenida Balboa with direct connection to Vía Italia, Plaza Paitilla provides access to transportation, services, hospitals and the financial district.
