

An aerial photograph of a city at sunset. In the background, a large, dark mountain with a pointed peak is silhouetted against a bright orange and yellow sky. The sun is low on the horizon, creating a strong glow. In the foreground, several tall apartment buildings are visible. The central building is white with many windows. To its right is a darker building, and further right is a building with a green roof. The city below is mostly in shadow, with some lights visible in the distance.
